Gentlemen:

In our Laborgram dated June 9, 2008, we informed you that --  
"In order to strengthen our commitment to safety, Plumbers Local Union #1 and the Association of Contracting Plumbers of the City of New York, Inc., have agreed that *no existing Helper will advance in term/grade (wages and fringe benefits) unless he/she successfully completes an OSHA 10 course. All new Helpers must successfully complete the OSHA 10 course within 90 days of hiring*".

Both of these requirements became effective January 1, 2009.

If you have any questions regarding this matter, please call this office.

Kind regards.
